

SaleSpider.com Announces 2 New Sites

SaleSpider Media today announced they will be releasing 2 exciting new websites, www.homeownerscircle.com and www.wealthmason.com

Home Owners Circle is the largest [social network](#) connecting Home Owners and Contractors. Home Owners use the site to complete complicated home projects from Bathroom Remodelling, Room Additions, Painting and much more.

Home Owners circle has over 2.5 million [contractors](#) and over 1 million active Home Owners listed on the site. Over 5,000 new members are added each week!

HomeOwnersCircle.com makes it easy for local service pros and home owners to find each other. The site is very simple to use and can be completely customized to the users preferences based on the type of project or work and location.

Wealth Mason focuses on [investment advice](#), insurance, retirement planning and much more. The site helps Americans make sound investment decisions so that they can maximize their returns and retire on time. One very unique feature of Wealth Mason is the [networking section](#), which connects savvy investors in an open forum to discuss and debate investment strategies. There are hundreds of thousands of active users already!

SaleSpider Media's innovative social platforms are a leader in connecting business professionals and their ideal clientele.
