Brennan Innovators, LLC (www.BrennanInnovators.com) is SaleSpider.com's member of the month! This education and product services company uses SaleSpider for their business networking needs and to gauge their internet exposure to those interested in their industry and product.

Brennan Innovators, LLC (www.BrennanInnovators.com) is SaleSpider.com's member of the month! This education and product services company uses SaleSpider for their [business networking](#) needs and to gauge their internet exposure to those interested in their industry and product.

Brennan Innovators, LLC is a product and services company. The company created the Reading Focus Cards (Patent 7,565,759), solutions for struggling readers. These focusing tools can be especially helpful to new, young readers and those challenged with conditions that affect reading ability. Brennan Innovators, LLC has a plethora of clients including Bradburn's Parent Teacher Stores in St. Louis, PCI Education of San Antonio, Texas, as well as teachers, schools, parents, adults and many private homeschooling parents.

Brennan Innovators, LLC uses SaleSpider.com and the power of social media to network and find potential clients. Joan M. Brennan, the creator of the Reading Focus Cards has stated that they "use SaleSpider.com to gauge our internet exposure relative to those interested in our industry....it is an excellent tool."
