

SaleSpider.com – Big Changes to SaleSpider This Month

Big changes have been happening to SaleSpider.com this month. SaleSpider.com is proud to announce that they are just an arm's reach away from hitting 1 million members!

Big changes have been happening to SaleSpider.com this month. SaleSpider.com is proud to announce that they are just an arm's reach away from hitting 1 million members!

SaleSpider.com also recently unveiled its E-Recruitment Platform and it is already a huge hit with SaleSpider members. Business owners are able to quickly and efficiently recruit their future employees and [job](#) seekers are able to find their dream jobs. Resumes and job ads are being posted constantly on the business social network and the response rate has been very high.

Exciting upgrades will be released every few weeks in the next quarter as well. New tools focused on connecting and [business networking](#), and daily opportunity matching will be expanded on multiple devices.

SaleSpider will continue to enhance its site with similar modifications to cement its position as the go to social network for entrepreneurs and businesses.
