

Wealth Mason Adds Reviews of Local Businesses

Wealth Mason launches a new Ratings and Review system for 1.2 million businesses in its network.

On July 16th, 2012, Wealth Mason launched a new Ratings and Review system for [1.2 million businesses](#) in its network. With hundreds of thousands of ratings and reviews, Wealth Mason members will have unprecedented information on the financial and insurance professionals in their local area. Ratings and reviews are free to view and post, the person just has to sign-up at [Wealth Mason.com](#).

The rating and reviews system is just one of the many free features that Wealth Mason provides its members to help navigate their financial futures. The site also includes a [live discussion platform](#) and hundreds of articles for affluent Americans to understand and discuss retirement planning, tax planning, insurance, investment strategies and much more. Plus, licensed wealth managers, financial planners and insurance providers are welcome to join the conversation to add value to the discussion and to find net new clients.

Over the past 2 weeks, Wealth Mason has provided deep insight to its members in the areas of Junk Bonds, Real Estate, and Mutual Funds. With the addition of the Ratings and Review system, Wealth Mason continues to be a leader and an innovator in helping Americans plan and save for retirement.
